

MOVING FORWARD!

Human Interface Design

Membrane Switches

RFID Embedded Asset-tracking Labels

Engineering Solutions

Sensors / Electrodes

RF / EMI Shielding

Lead Attachment Assemblies

Tapecon has long been known as "The company that tackles jobs the competition won't." Nowhere has this reputation been tested so greatly than in the Hi-Tech field. In the rapid moving technology arena, we must be nimble, organized and progressive to assist our customers. Solutions must be well engineered and reliable. Tapecon does this best with our ISO Certified facilities and 5S / Lean Manufacturing principles!

Our strength lies in our ability to listen to customer problems and quickly convert them into engineered solutions.

Some customers who look to Tapecon for innovation:

CARLETON

MOOG

 **CELESTICA**

MOTOROLA

Products:

- Human Interface Designs
- Membrane Switches
- Product Labels
- Overlays and Decals
- Filters with Pressure-Sensitive Adhesives
- RF / EMI Shielding
- Die-Cut and Laminating Assemblies
- Lead Attachment Assemblies
- Foam / Foil Constructions
- Electrically and Thermally-Conductive Pressure-Sensitive Products
- RFID Embedded Asset-tracking Labels
- Kapton Masks / Shields
- Sensors / Electrodes
- Connector Seals / Gaskets
- Spacers / Insulators

Capabilities:

- Flexographic Printing
- Screen Printing
- Digital Printing
- Clean-Room Environments
- Die-Cutting
- Laminating
- Engineered Solutions
- Hand Assembly
- Slitting
- Lead Wire Attachments
- Custom Converting Equipment
