

# OVERVIEW / INDUSTRIAL

Industrial contract manufacturing, converting, specialized printing and packaging.

Tapecon works with Product Teams

//////////////////// to //////////////////////

## IMPROVE YOUR MARKET COMPETITIVENESS

//////////////////// by //////////////////////

manufacturing functional graphics, materials, and complete products

//////////////////// to improve //////////////////////

## LOOK, FEEL, AND USABILITY.

### PRODUCT MANAGERS

- Improve market competitiveness
- Reduce time to market
- Reduce post-release defects

### PROCUREMENT

- Achieve fair market cost
- Mitigate contractual risks
- Mitigate schedule risks

### ENGINEERS

- Improve product technical functionality
- Improve manufacturing efficiency
- Improve first time quality
- Achieve regulatory compliance

**Capabilities** ISO 9001, ISO 13485 & FDA Registered, cGMP Compliant

Specialized Printing  
Digital, Flexographic & Screen Printing  
Smart Ink Printing  
Security Printing  
Label, Package & Graphics Printing  
Printed Electronics  
Coating  
In-Mold Decorating  
Material Converting  
Die-Cutting  
Perforating, Seaming, Etching,  
Welding, Marking & Engraving

Laminating  
Multi-Layer Laminations  
Precision Slitting  
Rewinding & Web Cleaning  
Tested Fabrication Techniques  
Contract Manufacturing  
Components  
Subassembly  
Full Assembly  
Packaged Products

Electronics Assemblies  
ITAR Registered  
UL & cUL Authorized  
In-House Testing Capabilities  
Clean Room Environments  
Materials Expertise  
Validation Services  
Engineering Solutions  
Commercialization Services  
Prototyping

**Applications**

Durable Labels  
Overlays  
Decals  
Electronic Panels  
Security Printing  
Product Packaging  
Printed Chemical Indicators  
Temperature Indicators  
Bar & QR Codes  
Serial Tags

Kapton™ (Polyimide) Masks & Shields

EMI/ESD/RFI Shielding  
Spacers & Insulators  
Connector Seals & Gaskets  
Membrane Switches

Flexible Printed Circuits  
User Interface Panels & Keypads  
Tamper Evident Labels & Packaging  
RFID Tags

**our PURPOSE**

We solve application challenges that enhance people's lives

**YOUR TRUSTED PARTNER**

Family owned and operated for over **95 years** and counting
